Advisor's Notes/Recommendations:

- In order to improve student success probability and reduce unnecessary attrition, all students must take the EdReady™ placement test prior to entering the program. Students must complete developmental courses with a C or better as determined by placement test prior to entering the program or no later than Fall Semester.
- Students must have an **ENMU Campus System** cumulative grade point average of 2.0 in order to meet graduation requirements.
- Submit a Graduate Application before the close of the semester preceding the expected completion date.

Program Requirements:

- A grade of "C" or better in each required course must be achieved in order to graduate from the program.
- **MANDATORY DRUG SCREENING and Background Checks** are required during the first week of the program and will be scheduled by the Division of Health faculty. Drug screening may be repeated based on the requirements of clinical site contracts. Students must pass the mandatory drug screening and any mandatory drug screening to remain in the program.
- Students exhibiting signs of impaired clinical judgment related to suspected use of chemical substances, legal or otherwise, will be removed from the classroom, laboratory, or clinical setting immediately. At that time, the instructor will implement steps according to the Division of Health Policy for Student Suspected Impairment. Appeals can be made according to the process outlined in the Student Handbook.
- Students will be expected to meet health history, immunization, and background check requirements.
- A list of technical standards required for entry into the program can be obtained by contacting the Program Director.
- No experiential learning credits are permitted in this program.
- All courses which have a co-requisite lab must be taken together for credit on initial or subsequent attempts.
- Student taking EdReady™ placement exam must score a 75 or higher on the English test to be exempt from taking developmental English classes.
- Student taking EdReady™ placement exam must score a 62 or higher on the Math test to be exempt from taking developmental Math classes.
