

ENMU-Roswell GEAR UP

Gaining Early Awareness and Readiness for Undergraduate Programs

2015

MOTIVATING STUDENTS FOR SUCCESS IN LIFE

CAREER DAY AT ROSWELL HIGH SCHOOL

On November 3, in partnership with New Mexico Workforce Connection, GEAR UP provided students at Roswell High School a *Career Day*. GEAR UP students visited with over 25 different professionals to provide them information on a variety of careers. "Thank you" to all community professionals who participated in this event!.

A special "thanks" to our community partner, New Mexico Workforce Connection and Nellie Daniel!

DEXTER HS GEAR UP NEWS

This year is GEAR UP for *Great Thinking!* From students to parents to teachers—all are involved in activities to encourage students to improve academically and prepare for college and careers.

Students have been given several opportunities to hear presentations on financial aid, scholarships, admissions, and campus life and to see some college campuses. This semester a group of Dexter GEAR UP students visited ENMU-Roswell to learn about the many career/technical opportunities available. In addition, students attended the Southeastern College Fair at NMMI where they were able to visit with recruiters from campuses all over the United States. Students are now looking forward to a trip to UNM in Albuquerque.

GEAR UP has purchased an online ACT Prep course for cohort students in order to prepare for the upcoming ACT exams. This service will also be available for them to use at home or during their *Enhancement* period to improve their ACT scores.

Students have also been utilizing the Smarthinking tutoring service for their writing requirements. Cohort teachers have been working hard to implement *writing across the curriculum* according to a schedule. They attend professional learning collaborative sessions every week to improve their strategies and discuss methods to improve student outcomes.

GEAR UP surveys are completed and were returned with a great response from our parents. Thank you to all who returned the surveys!

FREE ONLINE TUTORING

GEAR UP provides free quality tutoring services online with Smarthinking.com™. These services are available 24/7 to all GEAR UP students (10th and 11th grades) throughout the entire year.

Students are able to receive personalized assistance for a wide variety of subjects: Writing, Reading, Mathematics, Science, Business, English for Speakers of Other Languages, Spanish, Nursing and Allied Health, Computers and Technology. Smarthinking™ tutors are highly qualified in their areas of expertise and provide positive feedback to students receiving assistance. Their web site provides additional student resources and reference guides for these subjects.

To get started, students need to contact their GEAR UP Academic Advisor/Counselor at their high school to receive their Smarthinking™ login information.

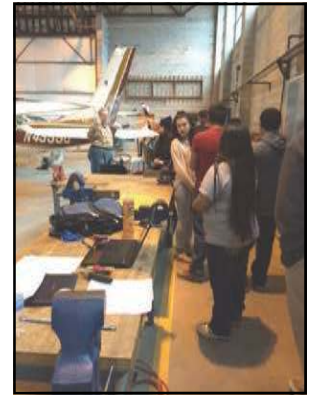

The leader in on-demand student support
